Our new townhome plan offers competitive pricing without sacrificing desired features or amenities. They offer an open layout with a two story entry leading to the kitchen, family room with fireplace and dining room. The master bedroom is at the back of the home with adjacent master bath and there is also a 1/2 bath and mudroom on the main floor. The upper level provides great additional space with two bedrooms, a bath and an oversized family room. The living space comes in at just under 2,300 square feet which compliments the deep 2 stall garage. Prices are estimated at \$325-350,000.
